From the Head

We are looking forward to welcoming families to our first Parents' Evening of the school year. If you have not yet booked an appointment, please contact the school office by phone or pop in and we will be happy to arrange a time for you. We look forward to seeing you there!

Arbor

As previously advised, we are no longer using Pupil Asset as our school communication and information system. We hope that all parents and carers have now signed up to Arbor and are able to access their accounts. If you have not yet signed up, or if you are experiencing any difficulties with the system, please contact Mrs Angus in the school office or email admin@southwootton-jun.norfolk.sch.uk and we will be happy to help.

If you are able to access Arbor, please take a few moments to check that all of your contact details are up to date. Parents and carers can update their own contact information directly through the Arbor Parent Portal, helping us to ensure that we can contact you quickly when needed.

Communication With the Office

If you're emailing the office to report an absence, please ensure you use the following email – admin@southwootton-jun.norfolk.sch.uk

Lunches

Lunches can no longer be booked in advance, but **please make sure that you have enough money in your child's account to be able to do this. Children will be unable to book a lunch if their account is in debt by £10.**

Special Lunch - Next Thursday

A reminder that our Special Lunch will be taking place next Thursday. We are looking forward to a delicious meal and hope lots of children will join us.

Please note that jacket potatoes will be available as an alternative option for any children who would prefer one.

Sub Hub meals will not be available on this day.

Music Lessons

Lessons are offered for children wanting to learn guitar and piano, these occur during lesson time and there is a charge. Whether your child had lessons last year, or whether they would like to start as absolute beginners, please contact the office to register your interest.

iRock

We are delighted that iRock lessons have started again. There is still time to sign your child up - the lessons are not only fun, but they also play a significant role in enhancing children's life skills. Lessons focus on boosting confidence, supporting well-being, developing social skills, and even improving academic performance.

Flu Immunisation

The immunisation team will be back in school on Tuesday 29th September. You would have received an email direct from the immunisation team with information on the vaccine. You will need to give consent for your child to have the flu vaccine. If you do not wish for your child to have the vaccine, please complete the online form so your wishes can be recorded.

PTFA

Your PTFA needs you! Sadly, some of our members, including our chairperson, will be stepping down as their children have moved on to high school. We are looking for someone to take over the chairperson's job, leading the association with the support of the remaining members. Unfortunately, if we are unable to find a new chairperson, the PTFA may have to fold, which will mean losing many of the fun events during the year.

AGM will be taking place on Friday 16th October 9am, in the front foyer. ALL ARE WELCOME
